

# Body Sculpting Course

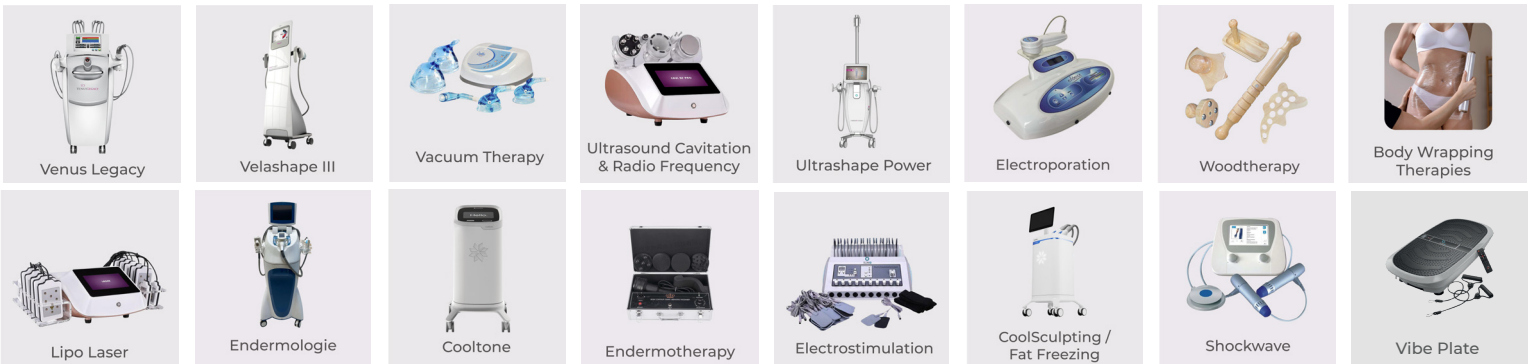

## COURSE OUTLINE

### Course Overview

Florida Academy is the undisputed leader in body sculpting training. We have been at the forefront in developing this field of study since inception. As a result, our Body Contouring Certification is esteemed coast-to-coast, identifying graduates as masters of today's most in-demand aesthetic specialty.

### Equipment Focus

Over 16 different modalities for Fat Reduction, Cellulite Removal, Skin Tightening, and muscle toning.

### The Best in Body Contouring Education

Listen to speakers from major Body Contouring companies as they explain the science and technologies employed by their devices. Find out what makes these devices unique and multi-functional. We will be showcasing over \$2 million in gold-standard equipment, and offering access to vendor lists, financing and student discounts, along with procurement guidance.

### Live On-Campus or Online Self-Paced

**ON-CAMPUS:** Live instructor-led clinical protocols and Q&A sessions. Includes study guide, step-by-step treatment videos, homework, quizzes, handouts, and live vendor presentations.

**ONLINE:** Learn at your own pace. No live instructor. Start anytime. Includes study guide, step-by-step treatment videos, homework, quizzes, handouts, and vendor videos.
